

## **533 WELLNESS**

### **I. Purpose**

*STAR OF THE NORTH ACADEMY Charter School is committed to supporting a healthy school environment by promoting a positive learning environment, healthy eating, and regular physical activity. Our school believes that providing a healthy environment where children learn and participate in positive lifestyle practices optimizes student potential for academic performance and contributes positively to their self-esteem.*

### **II. General Statement of policy**

By working toward the following goals, STAR OF THE NORTH ACADEMY Charter School supports health wellness and improved educational outcomes of STAR OF THE NORTH ACADEMY Charter School students.

- A. Food and beverages sold or served at STAR OF THE NORTH ACADEMY Charter School will meet the nutrition recommendations of the USDA guidelines.
- B. Students will have access to a variety of affordable, nutritious and appealing foods that meet the health and nutrition needs of the students.
- C. STAR OF THE NORTH ACADEMY Charter School will participate in federal school meal programs.
- D. STAR OF THE NORTH ACADEMY Charter School will provide nutrition education and physical education to foster lifelong habits of healthy eating and physical activity.
- E. All students will have opportunities, support and encouragement to be physically active on a regular basis
- F. STAR OF THE NORTH ACADEMY Charter School will maintain a Wellness Committee, promoting healthy living to staff and students. The Wellness Committee is open to parents, teachers, staff and students from STAR OF THE NORTH ACADEMY Charter School.
- G. The Wellness Committee shall continue to develop, implement, monitor, review and recommend revisions regarding the Wellness Policy. The Wellness Committee will also serve as a resource to the school for implementation of the policy.

### **III. Nutrition and Environmental Guidelines**

#### **A. Food Environment:**

1. The students will be encouraged to start each day with a healthy breakfast, because children who come to school hungry find it difficult to stay alert, concentrate, and learn. A nourishing breakfast program is available for students. School lunch periods should be scheduled during the middle of the school day if it is possible.

2. Students should be provided with enough time to eat meals at school during their scheduled mealtime. Students should be allowed approximately ten minutes for breakfast and twenty minutes for lunch from the time they are seated.
3. The dining areas at school should be clean, and inviting to the students.
4. Enough seating will be provided for all students.
5. Hand-washing facilities will be available for students and they will be encouraged to wash their hands before meals. Hand sanitizer may also be available to students.
6. This school will make every effort to avoid holding/hosting tutoring sessions, club/organizational meetings, or activities during mealtimes, unless students may eat during the activity.
7. Milk (for purchase) and water will be made available to all students during meal times.
8. STAR OF THE NORTH ACADEMY will strongly encourage and support healthy eating by students and engage in a nutrition program that is:
  - a. Offered as part of a comprehensive program designed to provide students with the knowledge and skills necessary to promote and protect their health.
  - b. STAR OF THE NORTH ACADEMY Charter School will encourage all students to make age appropriate, healthy selections of food and beverages. This includes those items sold outside of the school meal program such as: concession stands, the school store, and fundraising events.

B. Food Service Operations:

1. STAR OF THE NORTH ACADEMY Charter School will develop a coordinated and comprehensive outreach, promotion, and pricing plan to ensure maximum participation in the school meal program and will make certain that all eligible children who qualify receive free and reduced-price meals.
2. STAR OF THE NORTH ACADEMY Charter School will ensure that all students eligible to receive free and reduced price meals and milk are not specified or easily identified by others.
3. STAR OF THE NORTH ACADEMY Charter School will employ a food service director that is properly qualified, certified, or have the credentials (according to professional standards) to administer the school food service program and satisfy reporting requirements.
4. All personnel that participate in child/student nutrition will have adequate pre-service training, and strive to participate in ongoing professional development.
5. STAR OF THE NORTH ACADEMY Charter School will involve families and community organizations in the development of programs to provide school meal options that are culturally sensitive and meet special dietary needs.
6. STAR OF THE NORTH ACADEMY Charter School will plan menus that meet the nutrition standards recommended in the Dietary Guidelines for Americans and ensure that the school meal program meets all requirements set forth under U.S.D.A. CFR Part 210 and Part 220.

C. Food and Beverages Served/ Sold During the School Day

1. Food and beverages offered will be nutrient dense including whole grain products, fiber-rich fruits and vegetables.  
*Note: According to the American Dietetic Association and others, nutrient-dense foods are those foods that are rich in important nutrients (vitamins, minerals, fiber and/ or protein) when compared to their calorie count.*
  - a. Food and beverages offered will include a variety of healthy choices that are of excellent quality, appealing to the students and are served at the proper temperature.
  - b. Food and beverages offered will minimize the use of trans fats, sodium, and sugar content.
  - c. Portion sizes will be age appropriate for elementary, middle school and high school students respectively.
  - d. Nutrition information for products offered in snack bars, a la carte, vending or the school stores should be available.
  - e. If food is provided for the classroom celebration, it must be commercially prepared. Healthy food choices are encouraged.
  - f. It is a goal that when fundraisers involve selling food, they should promote positive health habits.
  - g. Animals in the Schools (see school-wide policy on the school website)

#### **IV. Community Collaboration**

##### **A. Communications with Parents**

1. STAR OF THE NORTH ACADEMY Charter School recognizes that parents and guardians have a primary and fundamental role in promoting and protecting their children's health and well-being. STAR OF THE NORTH ACADEMY Charter School recognizes that health status and behaviors are influenced not only by the attitudes and practices of an individual, but also by personal relationships, as well as community and societal factors.
2. STAR OF THE NORTH ACADEMY Charter School will disseminate health information to parents/guardians through the STAR OF THE NORTH ACADEMY Pilot, handouts, and the school website. Parents are encouraged to be involved in communication and decision-making through the Wellness Committee. Outreach to parents/guardians shall emphasize the relationship between student health and academic performance.
3. STAR OF THE NORTH ACADEMY Charter School will provide information about physical education and other school-based physical activity opportunities before, during and after the school day and will support parents' efforts to provide their children with opportunities to be physically active outside of school.
4. STAR OF THE NORTH ACADEMY Charter School encourages parents, teachers, school administrators, students, foodservice professionals, and community members to serve as role models in practicing healthy eating and being physically active, both in school and at home.

## B. Product Marketing in Schools
